In "Lockdown" the Little Grimley Amateur Drama Society are desperate for audiences. Their Chairman Gordon calls an emergency meeting, complete with social distancing, to discuss his idea for their next production when restrictions ease - a touching love story set in a hospital, with all profits destined for the NHS. But based on their previous efforts, will the NHS actually end up worse off?

#### **Character profiles:**

Gordon	Strong character, aspiring author
Bernard	Low self-esteem, lacking confidence
Margaret	Well-dressed superior, arrogant
Joyce	Eccentric, willing to help
Ages not specified.	

Festivals are a great way to support other local amateur drama groups and to listen to views of experienced adjudicators commenting on the plays that have been performed. It is an enjoyable experience, we can learn a lot from adjudications
